## MUNICIPAL PROJECTS WITH IMPLEMENTING VIDEO CONTROL IN PUBLIC TRANSPORTATION

- The 2019-2020 years;
- Two Ukrainian cites;
- Both projects run on Wialon;
- Improvement of Wialon's video module features through Bitrek's hardware;
- Road tests and researches.

### PROJECT FEATURES:

- mDVR + 2 IP cameras per vehicle;
- passengers quantity visual control (COVID 19);
- all data stored on an additional server for security reasons (default feature);
- mDVR uses independent and secure communication via VPN channels and doesn't send any data to Bitrek;
- road accidents monitoring;
- preventing drivers frauds;
- speed control.

#### 2MP IP outdoor camera

- 1920x1080p FHD
- 20 m IR detection
- IP65 shock-proof
- Anti vandal metal case

#### 2MP IP outdoor camera

- 1920x1080p 30FPS FHD
- 20 m IR detection
- IP67 shock-proof
- CE/FCC, UL, IP6K9K, EN50155

#### 3MP IP indoor camera

- 1920x1080p 30FPS FHD
- 20 m IR detection
- IP67 shock-proof
- Smart detection (human/motion/intrusion)

#### mDVR

- Up to 4 IP cameras
- VPN encryption, 3G/4G LTE, Wi Fi
- Up to 256 GB SD cards
- Web configuration
- Lowest price in Europe
- CE certification in the European Union
